## THE INTELLIGIBLE CONSTITUTION : THE SUPREME COURT'S OBLIGATION TO MAINTAIN THE CONSTITUTION AS SOMETHING WE, THE PEOPLE, CAN UNDERSTAND

Oxford University Press, 1995. Paperback. Book Condition: New. New book, never been read. In *Webster v. Reproductive Health Services*, a critical abortion rights case, a bitterly divided Supreme Court produced no less than six different opinions. Writing for the plurality, Chief Justice Rehnquist attacked the trimester framework established in *Roe v. Wade* because it was "not found in the text of the Constitution or in any place else one would expect to find a constitutional principle." This approach, writes legal authority Joseph Goldstein, confuses constitutional principles (in this case, the right to privacy) with the means to protect them (here, the trimester system). As a result, the Court left the public bewildered about the constitutional scope of a woman's right to reproductive choice -- failing in its duty to speak clearly to the American public about the Constitution. In *The Intelligible Constitution*, Goldstein makes a compelling argument that, in a democracy based upon informed consent, the Supreme Court has an obligation to communicate clearly and candidly to We the People when it interprets the Constitution. After a fascinating discussion of the language of the Constitution and Supreme Court opinions (including the analysis of *Webster*), he presents a series of opinion studies in important cases, focusing not on ideology but on the Justices' clarity of thought and expression. Using the two *Brown v. Board of Education* cases, *Cooper v. Aaron*, *Regents of the University of California v. Bakke*, and others as his examples, Goldstein demonstrates the pitfalls to which the Court has succumbed in the past: Writing deliberately ambiguous decisions to win the votes of colleagues, challenging each others' opinions in private but not in public, and not speaking honestly when the writer knows a concurring Justice misunderstands the opinion which he or she is supporting. Even some landmark decisions, he...
