

Helping Children Become Readers Through Writing (Paperback)

By Arlene C Schulze

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Eighty percent of children learn to figure out the complex reading puzzle for themselves, regardless of the teacher s methodology, just as they learned to talk. However, it takes them longer to become proficient readers without a writing workshop. And what about the remaining 20 ? They are dependent on the teacher s methodology. These children need individual, developmentally appropriate guidance by a knowledgeable emergent literacy teacher during their process of writing to prevent them from overlooking many things they need to know about print and reveal things about the learner s processing of print that the teacher needs to know. A writing workshop provides the conditions and classroom structure for these individual writing conferences. In her book, Helping Children Become Readers Through Writing, and her supplementing video by the same name (available on You Tube), Arlene C. Schulze, master reading teacher and specialist explains and shows kindergarten teachers and administrators how and why young children, especially those making their first foray into formal education, become writers and readers through a workshop approach based on...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
