

Show Your Work!: 10 Things Nobody Told You About Getting Discovered

Filesize: 2.07 MB

Reviews

*It is a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)*

Algonquin Books (division of Workman). Paperback. Book Condition: new. BRAND NEW, Show Your Work!: 10 Things Nobody Told You About Getting Discovered, Austin Kleon, In his "New York Times" bestseller "Steal Like an Artist," Austin Kleon showed readers how to unlock their creativity by stealing from the community of other movers and shakers. Now, in an even more forward-thinking and necessary book, he shows how to take that critical next step on a creative journey getting known." Show Your Work!" is about why generosity trumps genius. It s about getting "findable," about using the network instead of wasting time networking. It s not self-promotion, it s self-discovery let others into your process, then let them steal from you. Filled with illustrations, quotes, stories, and examples, "Show Your Work!" offers ten transformative rules for being open, generous, brave, productive. In chapters such as You Don t Have to Be a Genius; Share Something Small Every Day; and Stick Around, Kleon creates a user s manual for embracing the communal nature of creativity what he calls the ecology of talent. From broader life lessons about work (you can t find your voice if you don t use it) to the etiquette of sharing and the dangers of oversharing to the practicalities of Internet life (build a good domain name; give credit when credit is due), it s an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age."
