Brand New Book ***** Print on Demand *****.There are many wonderful books in the world that address and teach how a good Catholic should think. However, it is important that a person not only think like a Catholic, but feel like a Catholic. Mr. Coulombe s poems convey the feelings that millennial Catholics regularly have: feelings of angst regarding the future, but also that of hope; feelings of righteousness and feelings of awe over the majesty and wonders of Catholic tradition. The White Cockade is filled with bite-sized poems that will inspire you and touch you on an emotional level.
