Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Queensland in the story is owned by the fish. It is located on an imaginary island in the Coral Sea, for its isolation. While the world grinds on, a meeting of the minds is convened to explore the path to wider freedoms to love, to live, to choose, to cherish, to heal the world, to reach beyond its tiny marriages, and to enrich them, to courageously seek greater happiness; a type of brainstorming for liberty, peace and joy. The novel is fantasy focused on science. It presents a daring attempt to do what has not been done for a long time, and to some degree, never. It explores the challenge to take the Principle of Universal Love to the grassroots of our social world, and not exclude sex, but to uplift it above depravity, above morality, even above its tallest image in Christianity, onto the lateral platform where we all stand side by side as human beings quot;clothed with the sun.quot; The exploration is wide-ranging, though it all unfolds on a small island where leading-edge researchers come together from many parts of the world.
