Quantum Potential Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A nuts and bolts description of the nature of reality as it is manifested moment by moment, followed by explicit instructions on how to control the outcome of the next moments by managing the quantum spirituality that each human has, but does not know how to harness. This book is for those spiritual seekers who know there is more to our spiritual nature than is expressed in ancient dogmas. It is for the person who is aware that there is more to our lives and living essence than appears in the mirror. For those seeking to better understand the nature of life and seeks to play a more active role in creating their lives outcome, this book breaks open new thought and strategies for engaging in the human experience. The reader will go on a journey of exploration and discovery that will ring true with and combine with their own thoughts of the nature of reality. The author invites readers not to be compelled to believe any particular phrase or paragraph, but rather to select those expressions which answer long-standing questions and wonderments. This book, if allowed, will challenge a dogmatic approach to a jurist-style power of the universe that makes random decisions on who is blessed and who is not, and replaces that notion with a omnipotent power that is always willing to deliver to the spiritual seeker that which they desire, as long as they actually know what they desire. The last half of the book explores to hot utilize the new knowledge in many aspects of life. In this way, the author is not just providing technical information on the true nature of...
