THE QUICK RESPONSE AIR FORCE: DECISIVE EXPEDITIONARY AIRPOWER FOR THE FUTURE? (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In his National Security Strategy, President William J. Clinton emphasized that the United States will remain globally engaged for many years to come, and that an integral part of that engagement will be the projection of military power. In the midst of budget cuts, personnel reductions, and base closures, the United States Department of Defense (DOD) is in a dilemma. It is being called on to be the dominant instrument of power in many regions of the world while its people and equipment are being stretched to their limits. Senior leaders are expressing serious concern for the operations tempo and are looking for relief. Unfortunately, the post-cold-war, multi-polar world is producing complex and unpredictable challenges with no end in sight. The DOD is being tasked to deter aggression, provide regional stability, support emerging democracies, and provide disaster relief. In many cases these tasks depend heavily on a forward presence. Prior to base closures and draw downs, much of this presence was in the form of permanent overseas bases and large numbers of forces transported to any place in the world. This is no longer the case and the question now is how to efficiently and effectively meet these challenges. Airpower offers the balanced solution. Its responsiveness, global reach, and flexibility generally give it an advantage over other military instruments in unexpected crises. Airpower is becoming the dominant quick-response weapon of choice in joint operations for the National Command Authorities (NCA). This study asks: How should the US military structure its forces to provide the NCA an on-call, sustainable, and responsive airpower force worldwide? This analysis concludes the answer is to reorganize existing forces into a Quick Response Airpower...
