Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finding a new career after motherhood, changing fields or industries, finding a completely different type of work to do, seeking a change but staying in the same industry, moving from self-employment to something totally different? At last there is a book dedicated to the unique needs of career changers! Each resume and cover letter combination reveals a story of a successful job hunt and career change. A best-selling title in the Real-Resumes Career Series edited by Anne McKinney. The book shows actual resumes and cover letters that helped real people change fields or industries. At a time when research shows that most working people have three distinctly different careers, at last there is a book which reveals the successful techniques involved in changing fields. The title is based on the philosophy that an effective career-change resume must build bridges to new opportunities. The Table of Contents is designed to show individuals in varying degrees of career change and seeking different goals: finding a new career after motherhood, identifying a new product to sell or represent, determining a completely different type of work to do, seeking a change but staying in the same industry, changing fields with absolutely no idea what s next, changing fields with a pretty good idea about what s ahead, and changing from self-employment to something totally different. Praise for other titles in the Real-Resumes Series: Distinguished by its highly readable samples.essential for library collections. - Library Journal These excellent new guides don t just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions, and industry-specific strategies based on real-world resumes. Since many technical types aren...
