

## Expanded Genesis (Paperback)

Filesize: 7.83 MB

### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## EXPANDED GENESIS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sometimes the Genesis story is hard to follow because we typically don't read beyond the Biblical texts. For instance in Chapter 6 two different sets of giants are described as having sex with normal sized women, but there is almost no other mention of these people. In chapter 1 Genesis simply says for man to Replenish the Earth, but what happened to it is not adequately explained. The stories of Enoch, Lemech, Noah, Cain, Abel, Leubada, Lilith, Eve, and Adam have all been truncated to focus on a particular set of information, but there is much more data that was described by the ancient Jewish people and much of it was written down to help us understand Genesis. This book is a collection of the books that expand the book of Genesis, including Enoch, Enoch II, Adam and Eve I and II, Jubilees, Jasher, Generations of Adam, and many others. By reading these in conjunction with Genesis, some of its mystery will be revealed.
