Leap Hop is a series of travel books written especially for children by Isabelle Demenge with illustrations by Emilie Sarnel. The idea of the series is to turn a grown-up trip into a fun adventure for children. These interactive books aim at getting children to discover new places and learn about other cultures through interesting information as well as games and activities. For parents, the books provide an ideal way to stick to a grown-up itinerary with a focus on cultural sites, and to create an unforgettable travel experience for their children. As kids play along by drawing, writing, and collecting items of interest throughout the journey, they ll find themselves creating a very personal souvenir as the book is transformed into a travel scrapbook for them to keep. Leap Hop Sri Lanka takes you to the Cultural Triangle in the centre of Sri Lanka where you can spot the differences between the two Buddhas in Dambulla s cave temples, learn about the tea production, identify different dagobas in Anuradhapura and stone carvings in the Embekke temple while playing detective with local prices.
