Brand New Book ***** Print on Demand *****.This story is about the Westward Expansion Era of our great American heritage as actually experienced by pioneer families spanning several generations. The original European immigrants began arriving on our shores about four hundred years ago and they were the founders of our country, which became a melting pot for all these ethnic groups. These families eventually emerged from colonial times in early America however, and gradually started moving westward displacing the native Indian nations that were here before. The exemplary families of this story were thoroughly immersed in this western migration that has become known as the Western Expansion Era of our American History. This was also the period of the sad commentary regarding the displacement of the native Indian nations as they were crowded out of their homeland and eventually placed on reservations while the descendants of the migrating settlers continued to move on west as the new land opportunities became available. In this setting the story is told of these rugged and tenacious settlers on the frontier facing the hardships of hacking out a homestead from the wilderness forest while facing the dangers of Indian uprisings and other encounters in the wild native environment. This new Our American Heritage series takes a genealogy approach in presenting our American History. This different look at our past through the eyes of some of our ancestors affords a more personal touch that results in a deeper understanding and more lasting impressions that are not usually garnered through the reading of textbooks. Images of ancestors engaged in the associated historic events are enabled to be brought into sharper focus from their often fuzzy obscurity. Such historic...
