Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

HEADS UP (PAPERBACK)

Thistle Publishing, United States, 2013. Paperback. Book Condition: New. 216 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.From Eton, Westminster and St Paul s to Wycombe Abbey, Withington and Winchester, Heads Up tells the inside story of the men and women running 32 of England s leading independent schools - and the problems they face. Heads Up uncovers the secret world of this impressive, powerful group as they battle to create the right conditions for academic success, happy children and happy staff. They tell a story of demanding governors, treacherous staff, nightmare parents, financial difficulties and the relentless pressure to achieve. How are heads hired and fired? How do they lead? Who competes for the best pupils in selling the brand and in league tables? When confronting staff and governors, who wins? At the centre of every school are children and their problems: bullying, cyberbullying, drugs, eating disorders and family breakdown. How do they manage problem children and which powerful parents litigate? Heads Up delivers the answers. Dominic Carman s overview of what has happened in education over the past five decades is lucid and useful. Ralph Townsend, headmaster of Winchester Heads Up is the best account of school leadership I ve ever come across. I was fascinated by this well-rounded, punchy and realistic account of what our lives are like, doing the best job in the world. This is an inspirational and frank account of independent headship: anyone aspiring to be a head should read it, all current heads should read it, and all our colleagues should too. Felicity Lusk, head of Abingdon I have read Heads Up with real pleasure. It provides a generous and thought-provoking insight into the different approaches and shared values of headmasters today, as well as some fascinating...
