Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Outlines of Latin Phonetics It has long been recognised that the methods of teaching Latin grammar in vogue in England are marked by an absence of scientific accuracy and by a neglect of philological principles. The conditions that Professor Meillet in his foreword to this book describes as existing in France obtain in this country as well: Separated from all modern conceptions, and still scholastic in its essence and formation, grammatical instruction has become a dead element; it is confined to facts unconnected by any ideas or connected only by ideas which are now obsolete and conflicting with everything else learnt by the pupil. Thus every day opinion becomes more hostile to grammar, and every year fewer hours are assigned to a subject the barren nature of which is felt by every one. Yet, as the same critic continues, it might be thought that a science the essential object of which is to study the principal means of expression of human thought might deserve the attention of schoolboys, and be capable, if properly taught, of,...

### Reviews

*An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.*

-- Prof. Arlie Bogan

*It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Barney Robel Jr.
