KIDS COME SECOND: AND OTHER UNCONVENTIONAL WISDOM ON RAISING GREAT CHILDREN (PAPERBACK)

Addons Wu, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My wife and I never dreamed that our children would someday graduate from prestigious schools such as MIT, Harvard University, the University of Cambridge and Tufts University. Both of my daughters were class presidents of their universities. My children s high academic achievements and strong character development happened not by coincidence. It has been hard work for everyone in the family. In this book, the reader will find numerous stories about things that have worked in my family and mistakes that I have made during the different stages of bringing up my children. This book is more about parenting than about preparing our children for prestigious schools. My belief is that if children develop strong personal values and communication skills, higher academic achievements will naturally follow. This book is not just for parents. In fact, many ideas are equally useful to children as well. My younger daughter once commented, Having the right attitude is important. I can t pinpoint what specific things you and Mom have done to give us (our children) this mind-set, but for all three of us, we always want to do better. We always think we can learn more or be more accomplished than we already are, and that s great. Chapters 2 and 3 of this book focus on the development of the learning capability of a child. In Chapter 4, I will take a look at the parents behavior in building unity between themselves, among the children, and within the family as a whole. Chapter 5 is about maintaining strong connection and communication with children. It is important that we nurture an environment that facilitates respect and encourages the freedom of...
