Liberty Fund Inc, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In this anthology, Mises offers an articulate and accessible introduction to and critique of two topics he considers especially important: inflation and government interventionism. According to Mises, inflation, that is monetary expansion, is destructive; it destroys savings and investment, which are the basis for production and prosperity. Government controls and economic planning never accomplish what their proponents intend. Mises consistently argues that the solution to government intervention is free markets and free enterprise, which call for reforming government. For that, ideas must be changed to let the market system work. There is no better planning for freedom than this. Ludwig von Mises (1881-1973) was the leading spokesman of the Austrian School of Economics throughout most of the twentieth century. He earned his doctorate in law and economics from the University of Vienna in 1906. In 1926, Mises founded the Austrian Institute for Business Cycle Research. From 1909 to 1934, he was an economist for the Vienna Chamber of Commerce. Before the Anschluss, in 1934 Mises left for Geneva, where he was a professor at the Graduate Institute of International Studies until 1940, when he emigrated to New York City. From 1948 to 1969, he was a visiting professor at New York University. Bettina Bien Greaves is a former resident scholar, trustee, and longtime staff member of the Foundation for Economic Education. She has written and lectured extensively on topics of free market economics. Her articles have appeared in such journals as Human Events, Reason, and The Freeman: Ideas on Liberty. A student of Mises, Greaves has become an expert on his work in particular and that of the Austrian School of economics in general. She has translated several Mises monographs,...
