

Asperger's Syndrome - That Explains Everything: Strategies for Education, Life and Just About Everything Else

Filesize: 2.2 MB

Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

ASPERGER'S SYNDROME - THAT EXPLAINS EVERYTHING: STRATEGIES FOR EDUCATION, LIFE AND JUST ABOUT EVERYTHING ELSE

DOWNLOAD

Jessica Kingsley Publishers, Inc, 2013. Softcover. Book Condition: New. Students with Asperger's Syndrome (AS) frequently find the school environment challenging, despite often having a high level of academic ability, because their unique social and sensory difficulties are not fully understood or accommodated. This book clearly explains proven and practical approaches in education and care that will enable young people with AS in primary and secondary education to thrive. The author uses anecdotes from his extensive teaching experience to illustrate potential problem areas and put forward solutions. There are useful strategies for dealing with issues relating to anxiety, communication, social rules, relationships and classroom behaviour. Accounts from parents and young people with AS who have benefited from the approaches described in the book are also included. This book is a comprehensive and accessible resource for teachers, carers and professionals working with young people with AS, equipping them with the insight to help AS pupils succeed, not only in school, but in the wider world. Parents will also find it useful. 304 pages. 2013.
