Easy to read. Penetrates deeply. In this concise book, Art Coses sensitively shares valuable lessons he learned during his divorce. In it, Art emphasizes a healthful, ethical, legally diligent, and mindful divorce journey. A set of divorce aphorisms (lessons) is at the heart of this thoughtfully-written work, and each chapter is carefully designed to support one of these sensible teachings. For example, the aphorism of the chapter **On Human Shields** is Honor the rights and autonomy of all those around you during your divorce; encourage understanding and neutrality from your children, and take no human shields. Here, as in the other chapters, Art openly communicates his personal divorce experiences which form the basis of the chapter s lesson. Divorce marks the tragic demise of a marriage which started with hopes, dreams and promises; it is the heartbreaking death of a beloved-the marriage itself. It is important to our wellbeing that we grow from this profoundly challenging experience. This book s broad range of practical lessons are invaluable for both men and women, whether before, during or after a divorce process.
